Hey Chris- I just talked at length to Dave. I don't think we will be having a press conference but we will likely be releasing a letter later today. I'll let you know.

Thanks,  
Artie

hi artie -- approx river mile marker 10.9

we actually don't even have preliminary results back yet -- QA'd results are expected by the end of february -- i'll keep you posted.

please let me know if you need anything else in the interim.

thanks!

Hi Chris- Hope all's well. I wanted to follow up with you on the sampling you guys did in Lyndhurst. Has there been any conclusions drawn? Also, what mile marker is that on the river?

Thanks,  
Artie
